McAllister House  
Owana Wick, Curator  
Terry Thatcher, President  
423 North Cascade Avenue  
Colorado Springs CO 80903

Hello Terry and Owana,  
Board Members:

History includes the vagaries of the weather as well as the financial over the years.

Notable buildings and the contents should be cared for to preserve them and the history they represent.

In McAllister House along with the wonderful volunteers, we have an extraordinary combination of forces that give us our history in memorable, real life fashion.

While words of "Thanks" are wonderful, it is money and knowledge that help preserve the foundation of this house of history.

It is with pleasure that we present to McAllister House this donation from The El Paso County Pioneers' Association in the amount of \$1000. (One Thousand dollars.) We wish to help McAllister House and the Colonial Dames with the cost of repairs to this venerable home which you keep for history. We note that Major McAllister was a founding member of the El Paso County Pioneers' Association

With Thanks for preserving our History!

*Dwight Haverkorn*  
*Making History With You!*
